

Once a year, Catbird Flower Farm's "Magical Herbal Division" open their enchanted gardens to create these specially curated bouquets featuring the enchanted flowers from the world of Harry Potter. Enjoy!

Bouquets are for ornamental enjoyment only...please do not ingest.

POTIONS & DRAUGHTS BOUQUET

Keepsake Paper Flower: hand-crafted from the pages of *The Sorcerer's Stone*

Sneezewort: used in the creation of the *Confusing and Befuddlement Draghts*

Aconite: used in the *wideye or awakening potion*

Fluxweed: ingredient in *Polyjuice potion*

Moondew: used in the *Wiggenweld* potion to revive people from the *Draught of Living Death*

Abyssnian Shrivelfig: A magical plant used in several potions.

Pitcher's Porritch: Used in the preparation of the *Potion of all Potential*

Bouquets may also include sprigs of gillyflower, alihotsy & scurvy-grass.
